He Is All You Need - 1

by Steve Camp

When you give in to that familiar sin, He is all you need. Guilt as you're paralyzed, it slowly it eats you alive, He is all you need. He'll be faithful to you though your heart is untrue and your love's grown cold His forgiveness is real, it'll comfort and heal your sin-weary soul. Well, God loves you so, He'll never let you go He is all you need.
