

A composite image of Earth and a comet in space. The Earth is shown on the left, with the Americas visible. A bright comet with a long, curved tail is on the right. The background is a deep blue space with stars and nebulae.

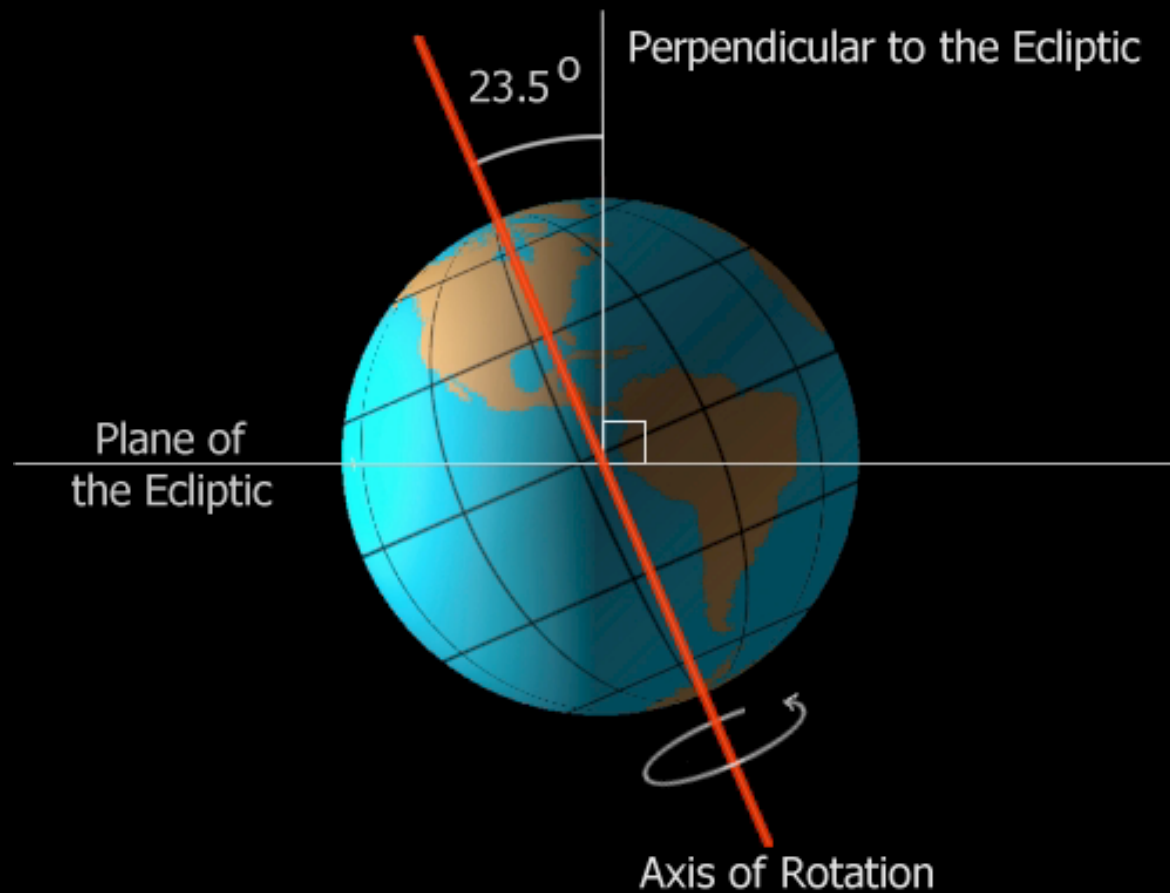

The Second Day of Creation

Genesis 1:6-8

A bright sun with rays of light against a dark blue background. The sun is on the left side, partially cut off, showing a glowing orange and yellow surface. Thin, light blue lines radiate from the sun towards the right side of the image.

Day 1

*God makes light.
He calls the light day
and the darkness
he calls night.
Genesis 1:3-5*
