***1<sup>st</sup> Heaven – Earth's Atmosphere***

A deep space photograph showing a vast field of stars against a dark blue background. A grid of thin white lines is overlaid on the image, resembling a celestial map. Several bright stars are visible, some with prominent diffraction spikes. In the lower portion of the image, there are faint, wispy clouds of interstellar dust and gas, some appearing in shades of blue and others in a darker brown. The overall scene conveys the immense scale and beauty of the universe.
