6th Vision – The Flying Scroll
Zechariah 5:1-4

Man on a Red Horse
Zechariah 1:7-17

A person in a striped robe stands in a field of tall, golden-brown grass. In the background, four large, curved, horn-like structures rise against a sky that transitions from a deep purple at the top to a bright orange and yellow at the horizon. The horns are arranged in two pairs, curving outwards and upwards. The overall scene is surreal and dramatic.
