

Zechariah

7th Vision – Woman In A Basket
Zechariah 5:5 - 11

Man on a Red Horse
Zechariah 1:7-17

A person in a striped robe stands in a field of tall, golden-brown grass. In the background, four large, curved, horn-like structures rise against a sky that transitions from a deep purple at the top to a bright orange and yellow at the horizon. The horns are arranged in two pairs, with the inner pair being shorter than the outer pair. The overall scene is surreal and dramatic.

Zechariah 3:8 -10

A golden seven-branched lampstand with lit candles, standing between two large olive trees at night. The lampstand is illuminated, casting a warm glow. The trees are dark and dense, with some light filtering through the branches. The background is a dark, starry night sky.
