

A dramatic scene of a wooden ark-like structure floating in a stormy sea. The structure is dark and appears to be made of vertical wooden planks. It has a gabled roof and three small, glowing orange windows. The sea is dark and turbulent, with white-capped waves crashing against the base of the structure. The sky is dark and stormy, with heavy rain falling and several bright, jagged lightning bolts striking down. The overall atmosphere is one of intense danger and divine power.

**God Punished the Wicked
But Rescued the Remnant**
